Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Friday 22 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cold and bright with wintry showers in the west.

Today:
Mainly dry, with sunny spells for most, although a little cloudy over the Pennines with a few wintry showers here. A cold feeling day with a strong breeze which will become lighter later. Mainly dry and frosty overnight. Maximum temperature 4 deg C (39 deg F).

Tonight:
Clear and cold in the east with a widespread frost forming. Remaining partly cloudy across the Pennines with a risk of further wintry showers. Minimum temperature -5 deg C (23 deg F).

Saturday:
Another rather cold and frosty start for many on Saturday, with some wintry showers persisting over the Pennines. Showers perhaps spreading east later. A cold and frosty night to follow. Maximum temperature 3 deg C (37 deg F).

Outlook for Sunday to Tuesday:
Cold with light winds, sunny intervals but also wintry showers on Sunday and Monday. A risk of overnight frost and ice. Turning wet and windy from the west on Tuesday.
